

A natural plant based multi surface biocide for cleaner hard and permeable surfaces

- Fast acting and reliable results
- Safe to use on a wide range of surfaces
- Low dose and water rates
- No re-entry restrictions

GreenClean Pro in action

Before and After

Greenclean Pro areas of use

Greenclean Pro is a plant origin biocide that gives fast long lasting results, which in ideal conditions can be visible after a few hours. Greenclean Pro can be used throughout the year on all approved surfaces and uses less A.I. and water making it easier to use and cost effective

Areas of use:

- Walkways/Steps
- Sports Surfaces
- Play Equipment
- Decking (wooden/composite)
- Fencing (wooden/metal)
- Buildings

Formulation	An emulsifiable concentrate biocide containing 500g/L nonanoic acid				
Crops	Outdoor buildings, and building materials, on all hard surfaces, (porous & non porous), in green Spaces and on every roof type (except thatched)				
Targets	Algae and other green deposits				
Applications	2 applications per year. Repeat applications must be a minimum of 14 days apart				
Dose Rate	1:16.6 dilution	Water Volume	270L/ha	Rain Fastness	2 Hours
